

Monika Kletzmayer

Finding new clarity and strong collaboration in change – that is Monika Kletzmayer's instinct.

Shaping living change - With her experience in different contexts and roles, Monika Kletzmayer supports companies in developing people-oriented work cultures and successfully navigating through transformation processes. With her combination of empathy and clarity, she supports teams and managers in turning challenges into opportunities and thus creates practical solutions that have a lasting effect. With her focus on emotional intelligence and self-organization, she not only helps to change structures, but also to develop an inner attitude that brings head and heart into harmony.
